SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I picked up your last issue of Swank and was impressed with the bevy of beauties in it, many that I had not seen before. But for me, Nicole Ray stood out. I love her country girl look and the photo shoot really brought out her sensuality. A a matter of fact, I think she looks a lot like a girl from my community college days that I had a crush on. We never hooked up or went on a date, but I enjoyed talking with her between classes. Now, with Nicole, I can imagine what that girl could have looked like naked, and I like it. Anyway, I just wanted to send off this note and thank you for a great issue. I can't wait for the next one.

— Jon, Muncie, IN

Sexy Ashlynn Brooke is one of my favorite performers. She and Bree Olsen could be twins and I fantasize with the two of them naked together, and then I would join them for a long afternoon tryst. First, Ashlynn rubs me down in a warm oily massage, and then she takes my big dick in both her hands and gives me a hand-job I won't soon forget. Bree loves the size of my big dick and soon she's giving me a sloppy blowjob and letting Ashlynn finger her pussy. Then she decides to take care of me by stretching her warm pussy around my cock and riding it hard. She takes my hard cock doggy style and Bree is under her licking her pussy. And when I'm satisfied with the deep pounding, I reward them both with a messy cum facial. *(ding)* Okay, gotta go, my TV dinner's ready.

Wishful Thinking

Brandi Wylde

I haven't done many erotic photo shoots in my life, but of all of them, this one is my favorite. I get to wear a sexy bikini in my favorite blue color, lounge around by the pool, play with my boobies, and stuff my pussy with my fingers until I cum. Maybe I should do more of them?

Wishful Thinking

Brandi Wylde

Us: *Today I'll be meeting with Ms. Brandi Wylde, and I hope she'll tell me more about herself and what she's been up to. So hold on, here we go.*

Hello Brandi, so very nice to finally meet you. You look spectacular. Please have a seat.

Brandi: Hi, nice to meet you too.

Us: I know when we spoke on the phone that you were reluctant to do an interview because you aren't really in the adult entertainment business anymore. I'm glad you changed your mind.

Brandi: Yeah, I was hesitant, but by the time we finished the phone call, you made me feel better bout it, so let's do it.

Us: In our phone call, you said you had wanted to try to be an adult star but after an interview or two decided against it.

Brandi: Yes, I was talked into seeing a photographer by a girlfriend, and it went ok. He gave me the name of an agent and I went to see him. It was a little weird for me when he told me to stand against a wall and strip so he could take some photos.

Us: Did you do it?

Brandi: I did and almost instantly regretted it. However, he told me he would only submit my pictures for soft, solo sessions, so I said okay. Two days later I got a call from him and he told me he had my first booking.

Wishful Thinking

Brandi Wylde

Us: And did you go?

Brandi: I went, but showed up almost an hour late because I was thinking of backing out. The photographer was pretty upset at the start, but he said when he saw me in person, he couldn't be mad. I thanked him and we did the shoot.

Us: And how was that?

Brandi: I had done some modeling before, so I was familiar with the routine. I had even done a topless bikini shoot, but didn't show anything. I think I was more shy than concerned about the photos. I still don't know if I'm over that part of it. So we are at this beautiful house in Encino, in the back yard with the swimming pool. I had brought six different swimsuits, and bunch of shoes and jewelry. After almost an our in makeup, I was ready and went out to the set in a red bikini with white trim. I thought I looked great.

Us: I'm sure you did. And the shoot?

Brandi: It went pretty well, and I did do some topless poses. But I was starting to burn and asked if we could shoot in the shade, and we did. I was topless posing on a lounge chair and he asked if I would play with and then take my bottoms down. I did. By then I was pretty comfortable with everything and everyone on the shoot was great. I worked with this photographer a couple more times.

Us: And you went on to do some more modeling like this?

Brandi: For several more years I posed for these types of pictures. Always solo, but I did use a toy a few times. I have to admit that it was fun. It sure beat my cosmetic counter job at the Galleria mall!

Us: Did you do any of those photos for publication or the internet?

Brandi: I knew some would get out on those mediums and I was okay with it because I didn't do anything I was uncomfortable with. I was asked many times on many shoots if I would work with a guy or a girl and I always said no. I'm not a prude sexually, but I prefer my sexual adventures to be private. But I admit that I seriously considered it.

Us: And how or why did you talk yourself out of it?

Brandi: For me, that wasn't hard to do. I do like sucking and fucking cock, and I've licked a pussy or two, and that's great, I love it. But perhaps I'm too vain to have that photographed, or videoed for everyone to see. Maybe I'll change my mind, but for now, I'm okay with what I did and will keep doing it as long as I'm with the right people.

Us: I understand it's a personal and difficult decision, but I do thank you for sharing with us. It's greatly appreciated.

BEFORE WE GO ANY FURTHER, I WANT TO BE SURE YOU WANT ME FOR ALL THE RIGHT REASONS.
I DO. ALL BOTH OF THEM!

Pornstar INTERVIEW

MOLLY BENNETT

Interview by Rob Perez

Molly Bennett is a cute as a button sexual vixen that can suck a cock with as much enthusiasm as she can a lollipop. And her reward for giving great head is always a face full of milky white cum which, as Molly tells Purely 18, she loves it when it has a bit of tanginess to it. Molly Bennett is an amazing performer with a pretty baby-face that has earned her plenty of raincoater fans who boner up every time her small, skinny soft body is exposed, getting dicked down hard by a massive cock. There's nothing innocent when it comes to this sweet young girl!

What's you favorite sex position?

Cowgirl! Better than all of them. I love that moment where I can just take control and fuck the shit out of a guy. Ohmigod, it's amazing.

Where's the best and worst place you've had sex?

The worse place happened in an RV with my boyfriend. It was a pretty big RV. It had a master bedroom, but his parents were in the living room and we were in the bedroom and it was super risky and very scandalous. I was nervous the whole time to be honest. I mean it would be different if my own parents caught me because you know your parents love you very much. But if my boyfriend's parents caught me, ohmigod I'd be dead. [Laughs]

What was the best tasting cum experience in your life?

I've had many different kinds of cum as you can probably guess. The best tasting one, I would describe it as kind of sweet but with a bit of tanginess. The guy was probably eating fruit. I don't know. It was pretty good.

What was your first experience with a cock?

I have to really think about this because the first time I went out to the movies with a guy on my own without my parents there, we were making out hardcore, and I can't really remember if I gave him a handjob over his pants or not. But I know he was getting to second base and on me. I really can't remember. I probably did but I don't know.

How many times have you had sex in a moving vehicle?

I've had sex in a car a lot but it was parked so never in a moving vehicle, technically. [Laughs] That's actually my favorite place to have sex, in a car. I love it. It's exciting.

Do you spit or swallow?

I'm kind of a tossup. I swallow a lot because guys love it and I like making guys feel good. Occasionally I'll spit. Like it's not that big of a deal. Who always swallows? That's crazy. And I'm trying to be honest. I could've lied and said I always swallow, so just be happy I'm being honest.

What's the biggest annoyance in the adult industry?

All the assumptions that get made about you. I'm starting not to care what people think about me. It just bothers me when people just assume random shit that's totally untrue, and it's not like you at all. Whatever. I'm learning not to care.

What was your first anal experience?

I don't know if it qualifies as anal experience because I don't really do anal. I was dating the only boyfriend I ever had for almost two years and couples that go out that long, they try everything. So of course we tried it but it didn't really work out because I guess I wasn't really relaxed enough. We tried but I guess it didn't go inside and penetrate.

How did you lose your virginity?

my boyfriend's room. I told him I was ready, we had been going out for a month. I didn't even wait that fucking long. I must've been really horny. He put the condom on and we did it. It wasn't going in. We didn't know what lube was. He had to work it in; then I got wet and it worked out. It took about two minutes, but it all worked out!

How did you get into porn?

I was on a model site doing trade shoots. I wasn't getting paid, the photographer wasn't getting paid. We got together to take pictures and expand our portfolio. I got a message from there from my old agent—I'm not mentioning any names because I'm not a shit talker. He just asked me if I wanted to make $25,000 a month doing nude modeling, which is total bullshit. Of course I fell for it and I was naïve and I didn't know any better. So I said yeah and he set me up with a nude shoot but I didn't get paid. I thought, "OK, how is that working out for me?" Then he said he'll sign me up for a BJ scene for money. I was like, "Why can't you get me modeling for money?" He just said it wasn't happening. So I said "OK, whatever. I'll do it." It was cool. It was with Amateur Allure and I loved it. They were fucking cool. We bonded over Star Wars because I love Star Wars. And that's how I wound up here.

What do you want to say to the Club International readers?

I love talking to you guys on Twitter @Mollybennettxxx. I love you guys so much. Make sure you keep watching my videos and I will be sure to update you guys on all of my stuff coming up. I'm shooting a lot so be prepared to see a lot of me.

SURE-FIRE SEDUCTION TECHNIQUES

Ten ways to turn any chick into a sexual animal — in less than one hour

FOR SOME OF YOU IT MAY TAKE MORE THAN AN HOUR

Every dude with a beautiful and irresistible babe lined up for sex the first time finds himself pondering a certain important problem: how to have all-the-way ecstasy tonight with a seductive, cooperative partner.

He realizes that the first sex for both is probably loads more significant than the second, third, and even the fiftieth time. For it represents sexual conquest, the breakthrough, the acceptance by the female of himself as her sex partner.

Even in these so-called sexually liberated times, how far a chick will go is determined by the way a guy behaves and his techniques. Easy fucks, especially first-time ones, are by no means plentiful and a guy has to work hard at it to be an outstanding success at what is alleged to come naturally.

In survey of 10,000 women between the ages of 18 and 45, when it comes to screwing their reasons for doing so covered a wide range:

- "l was lonely, so why not?
- I was curious about him
- My husband is hopeless in bed
- He spent a lot of money on me and I was just trying to show that I appreciated it
- He said he loved me
- He was so handsome
- He got drunk and then I didn't care what happened
- I got drunk and then I didn't care what happened
- He just talked me into it
- His sex techniques leading up to it were insane

From the survey it was impossible to pinpoint exactly why a girl would spread her legs and give the go-ahead, especially on a first date. But the women willingly went into greater detail on why they say "No." One group confirmed that "It's what a guy says while he's trying to coax me out of my clothes and into bed that makes the difference. There are certain subjects and clichés that put him right behind the 8-ball."

In other words, many brothers tend to talk themselves

right out of what otherwise could be a wild night of sexual fulfillment for both.

Here are some major topics of conversation mistakenly used by guys on the prowl. They may be fascinating to us males, but to females they are about as stimulating sexually as cold water at the North Pole:

1. Other babes you banged: No girl wants to feel she's joining a harem when she's considering giving up her sex. Smart chicks reason that the guy who boasts about his other flings is building himself up on an ego trip. She also suspects that if she spreads her legs for him she will end up on his bragging list. No chick wants her name thrown about as an easy lay.

2. How much money you have: Unless you're out with a pro or a money-hungry slut, a girl doesn't like to hear a guy boast about how much he's got on a first date. She'll feel like he's trying to buy a piece of her. "I don't want to feel like I'm just a slut" is the common complaint. "And I don't want to go out with any guy who thinks his money is gonna get me to fuck him."

3. Coercion and booze: These are associated in the average girl's mind with unpleasant situations. On a first date a sexy and cooperative-looking babe will stare at you with obvious disgust if you try to force her to drink too much or if you drink too much. She'll figure it won't be long before she has a drinking problem: you. Also, she'll assume you're trying to get her drunk so that you can bang her against her will. To a girl you're out with, this type of guy is one who is out of control rather than the tough-guy image he may think he is projecting.

4. How good you are in the sack: Nothing will put a girl in a deep freeze as fast as hearing you brag about your own sexual prowess. Girls who are not sexually experienced will be scared off because they're afraid they'll look ridiculous trying to match the performance of a lust-crazed dude. They don't like looking like sexual failures. If a girl has been around, she is also certain to reject all advances simply because she knows from experience that a guy who is really good at sex doesn't need to brag about it. It's better to surprise a female partner rather than disappoint her.

5. Talk about motels: You'd be surprised how many luscious friendly chicks have turned down guys who have mentioned a motel on their first date. Girls hate the thought of being pushovers. They want to be wooed gradually because they feel more secure that way. And if she happens to have had some experience of these "hot-sheet" sites for a quick fuck, she probably wants no more of them. (Besides, nothing will cool a girl's jets faster than trying to find a motel with a vacancy on a Saturday night.)

6. Suggest that guys should dispense with all the bullshit of politeness and good manners, and get right down to it: Whether the girl you're talking to is a lady or not does not matter. She still likes to think she is, and to be treated as if she is. That means you should

be using tons of politeness and consideration. But don't let that word "lady" fool you: One thing it doesn't mean is that ladies are cold. Some of the hottest chicks are real ladies. Good manners and polite restraint give a good impression, and it's the girl's impression of you whether true or not that encourages her to enjoy your company and ultimately get you into her pants.

If she didn't think of you as a possible sex partner, she wouldn't be out with you in the first place.

Remember, consideration and good manners don't mean you have to bow and scrape, or put on such a stiff formality that you become repulsive. Natural courtesy, respect for her feelings, and a willingness to fit your actions to your surroundings, are a must.

7. Don't downgrade yourself: Tell her the best about yourself without boasting. If you don't believe in yourself, neither will she. Assume success as a matter of course, but don't labor the point. In fact, you need hardly bring the matter to her attention. You'd be surprised how often you bat a thousand with this one!

8. Wax philosophical: You pontificate about the life-is-real, life-is earnest, opportunity-knocks-but-once-so-grab-each-fleeting-moment approach to sex. Every woman of the age of consent knows that this unique opportunity the jerk is so magnanimously spouting about and offering her is an opportunity that knocks all too frequently during the eternal chase. Why any guy ever thinks a girl will believe him to be the only one who will ever offer her a chance to indulge in a glorious life of sexual ecstasy is a mystery and a turn-off to most women.

9. Don't tell dirty jokes: Sure, they are very clever and you know you can tell them well because the guys in the locker room double over with laughter when you get going. You are mistaken if you fall into the trap of thinking that risqué sexy stories told expertly with a devastating punchline can't fail to turn a woman on sexually.

But humor is a sensitive thing. The famous English wit and raconteur Dr. Samuel Johnson did some research into the technique of getting a girl primed for sex by telling them "naughty jokes." His conclusion: if you told them a good dirty joke and they laughed, they wouldn't struggle too much if you tried to seduce them. On the other hand, why risk it?

10. Watch your language: Avoid the use of profanity; it's a sign of emotional insecurity. Not every chick will appreciate foul language. Many women don't like it. Guys who use it risk losing their masculine sex appeal. Even a dude who merely resorts to loud talking places a strain on a woman who tries to be a patient listener.

Getting a chick to want to bang you on your first date isn't easy. It requires planning, finesse, and charm. If you bide your time and act like you are enjoying her company and follow these tips you've just increased the odds that you'll end up fucking her tonight.
